RULES GOVERNING PLAY

1. Format is "Captain's Choice." Each player will play from the tee area. After the best shot has been selected and marked, each team must play his/her ball from that spot. The lie of the ball may be improved into the fairway, but a ball on the fringe can not be improved on to the green. Once a ball is holed out, no further putt may be taken.
2. Threesomes should rotate the use of a fourth shot among the team members for a total of four attempts on each shot. For example, player #1 will take the extra shot on holes 1-6, player #2 on holes 7-12, and player #3 on holes 13-18.
3. All play is governed by the USGA rules, except where amended by local rules. All ties will be decided by a scorecard.
4. Only soft spikes are allowed on the course. No jeans permitted. Shirts with collars are required.
